**CODE  
LOGISTICS**  
INTERNATIONAL FREIGHT FORWARDER

# OUR DNA

We were born to offer creative **integrated 360° solutions** for customer's needs in **logistics**, **maritime services** and **foreign trade**.

---

## We fully cover customer's needs

In air freight, ocean freight, road cargo service, customs clearance, warehousing and distribution.

---

**Our mission** is to provide current and future clients, from small to large size businesses, a solution for every kind of logistic need. Our motto is:

**high efficiency + low costs = high standard of services.**

# OUR SERVICES

Ocean Freight.

Air Freight.

Customs Clearance.

Warehousing / Distribution.

International Removals.

Insurance.

# OCEAN FREIGHT

We have an **ocean freight department** that specializes in both **FCL / LCL** that hands **different types of cargoes**.

---

Our worldwide logistics services cover not only shipments from port to port, but also the **complete door to door transportation chain from origin to final destination**.

---

## **Code Logistics services include:**

- /// FCL/LCL import / export.
- /// Issuance and verification of documentation.
- /// Export and import customs clearance.
- /// Packing and crating of industrial goods.
- /// Packing and crating of household goods.
- /// Warehousing, assembly and distribution logistics.
- /// Part & full vessel charter.
- /// Conventional shipments (break-bulk, dry & liquid bulk).
- /// Intermodal / multimodal transportation.
- /// Transport insurance.

# AIR FREIGHT

Due to sensitivity and time pressures involved in air freight, our airfreight department develops a **customized service plan for each customer**, then implements our required Operational Handling Procedure **to ensure high quality service.**

---

Our team of professionals will follow through on each and every shipment and our customers can be assured with **minute to minute status reports** on all import and exports shipments at all times.

---

## **Airfreight services offer all types of transport options, including:**

- /// Import/ Export consolidation.
- /// Assembly and distribution.
- /// Complete Logistics Programs (warehousing, documentation, handling).
- /// Split and full charter.
- /// Customs clearance.
- /// Pick-up and delivery service.
- /// "Door to door" services.
- /// Hazardous cargo transportation.
- /// Packing and Crating.

# CUSTOMS CLEARANCE

Code Logistics has its **own customs department** which specialises in **customs clearance** and **foreign trade**.

---

The customs department is located on our premises, which allows a **smooth service and clear communication between the air and ocean freight departments**.

Our customs team will take full and complete responsibility to ensure that the correct documentation is prepared well in advance for all import and export deadlines in order to **avoid expensive and time consuming delays**.

---

## **Customs services provides:**

- /// Legal valuation of merchandise.
- /// Duty & tax assessment.
- /// Classification of goods.
- /// Temporary import / export procedures.
- /// Permanent import / export procedures.
- /// Consultancy services.
- /// Full document services.

# WAREHOUSING / DISTRIBUTION

**Extensive warehousing and distribution system** will pick up, pack, store and distribute consignments anywhere in the region by efficient modes of transport.

---

- /// 5760 m<sup>2</sup> indoor storage.*
- /// 2000 m<sup>2</sup> parking truck place.*
- /// 3000 m<sup>2</sup> outdoor storage area for warehousing and / or parking truck place.*
- /// Shipment tracking and tracing.*
- /// Follow Up.*
- /// Warehousing of goods without limits in volume & weight.*
- /// Warehousing of pallets / container consolidation & desconsolidation.*
- /// Forklifts / Hydraulic lifts / Special parking services.*
- /// Stock management and checks (own system).*
- /// Picking.*
- /// Own vans / chassis / chassis syder.*
- /// Chassis equipped with lift / hydraulic crane.*
- /// Trucks / Carts / Transfers all over the country.*

# INTERNATIONAL REMOVALS

The **international removal division** has been created due to the growing needs of our developing market. It offers a **tailor-made service** to each of our customers. It provides customers with **personalised customer service** and supply chain solutions.

---

## **Import / export services:**

- ///* Transportation from port or airport to final residence.
- ///* Unloading, unpacking, assembling of furniture, removal of debris.
- ///* Imports of used cars, under unaccompanied customs regulations.
- ///* Packing at your premises / in residence of all the used household goods to be transported, with high-quality materials.
- ///* Supply of cardboard boxes for glassware, wardrobes and trunks for clothes and all the items, according to requirements.
- ///* Production of wooden crates, including fumigation process, according to international NIMF15 regulations.
- ///* Processing of customs clearance license for paintings and works of art, according to existing regulations.
- ///* Car exports, under unaccompanied customs regulation.
- ///* Outbound / inbound customs clearance, including documentation.

# INSURANCE

As the saying goes, "It's better to be safe than sorry". By selecting the **world's leading insurance companies as partners**, we are able to offer **cost effective and dependable insurance services** for every shipment, from personal effects to commercial cargo.

---

**We have sufficient purchasing power to offer attractive premiums.**

---

In order to provide our clients with the **most complete information about their cargo** in case of damage, we take **digital photographs of the cargo at all transit point** and send the pictures as an e-mail attachment to all parties involved. This practice ensures **fast and cost effective handling**.
